## GCSE

COMBINED SCIENCE: TRILOGY

Friday 12 June 2020

## Materials

For this paper you must have:

- a protractor
- a ruler
- a scientific calculator
- the Physics Equations Sheet (enclosed).

## Instructions

- Use black ink or black ball-point pen.
- Pencil should only be used for drawing.
- Fill in the boxes at the top of this page.
- Answer all questions in the spaces provided.
- Do all rough work in this book. Cross through any work you do not want to be marked.

Morning $\quad$ Time allowed: 1 hour 15 minutes

- If you need extra space for your answer(s), use the lined pages at the end of

- In all calculations, show clearly how you work out your answer.

## Information

- The maximum mark for this paper is 70 .
- The marks for questions are shown in brackets.
- You are expected to use a calculator where appropriate.
- You are reminded of the need for good English and clear presentation in your answers.
