Do not write outside the box

18 Here is some information about the ages of people at a concert.

Age, x (years)	**Frequency**
$10 \leqslant x < 15$	8
$15 \leqslant x < 25$	24
$25 \leqslant x < 40$	30
$40 \leqslant x < 70$	39

Draw a histogram to represent the information.
